

***Not only the best tool,
but simple to use***

#CantarX3

The Ultimate 24-Track on location audio recorder.
The **CantarX3**, packed with an impressive array of professional and innovative features, has already made a huge impact on the sound recording sector for cinematography, broadcast, drama, and orchestral work.

Analog & Digital Inputs

- 12 analog inputs on XLRs
- 8 low noise mic preamps with very high quality transformer, 48V Phantom, limiters, filters and EQ
- 4 analog line inputs
- Multiple AES digital inputs including 2 AES42 pairs (mode 2), 8 AES/EBU and a Dante Audinate network access

Mixer & Outputs

- Ten tracks mixer plate with magnetic linear assignable faders
- All inputs can be routed to any of the 24 tracks
- All tracks and inputs can be routed to 8 analog auxiliary outputs and/or digital outputs
- Mixdown can be assigned to any of the tracks

Recording Media

- Records & playback to and from internal 256 Gg SSD drive (expandable SSD size)
- Simultaneous recording to internal SSD drive, two SD cards and USB external drive

Power

- Two identical on board quick release smart batteries insure seamless switchover during recording
- One XLR4 DC 12-17 Volts input for extra power inputs when working on cart

Metering and Controls

- Ultra bright large swivelling display panel, visibility optimised for shoulder work or cart
- Two large rotary control selectors for easy record and operations in any situations
- Linear control faders addressable to any inputs and output
- New improved interface menu accessible through buttons, jog wheel all inputs and outputs monitoring and routing available through comprehensive and intuitive menus
- USB keyboard input for easy metadata editing and routing control
- Wifi and Bluetooth communication

General Specifications

- Generates reports (PDF & database), patented auto slate detection
- Housing made of machined avionic aluminium
- Ultra-resistant coatings, water and dust resistant
- Modular conception for easy service and upgradability
- Dimensions (L x W x H): 9.4 x 12.6 x 3.5 in | 240 x 320 x 90 mm
- Weight: With batteries 8.8 lbs, 4.01 kg | Without batteries 7.8 lbs, 3.55 kg
